If you're new to skating, this is a great opportunity to give it a try! If you're currently a skater, don't let your skates and skills get rusty – stay cool on the ice this summer! **To join the fun, skaters will need their own pair of skates, Learn to Skate membership, and camp registration.** Follow the steps below to register online, or if you prefer to pay with cash or check, fill out the back side of this form and mail it in.

Sign me up in two easy steps:

Step one – Membership

Skaters are required to have a current Learn to Skate, full or associate club membership with Timberline, or a Learn to Skate membership with another club for July 1, 2019 through June 30, 2020.

*For Timberline members, we require full club membership for levels higher than Pre-Free Skate.

First, go to www.timberlinefsc.org, click on **Entryeeze** in the lower left corner:

Are you new to figure skating and do not have a membership with us or another club?

Click on “Apply for membership” under New Members & transferring members and follow instructions to create an account and apply for membership.

Do you already have a current Learn to Skate, full or associate membership with us?

Great! Log in and skip to step 2.

Did you have any level of membership with us last year that needs to be renewed?

Click on “Access my account” under Existing Members & returning guests and follow instructions to renew your membership.

Do you have a current Learn to Skate membership at another club?

If yes, click on “Create a new account” under Guest skaters and follow instructions to create a Guest account, or log in to your guest account if you already have one.

Step two: Register for July Learn to Skate Camp

In Entryeeze, under the Contract Ice tab, click on Browse and Purchase. If necessary because there is more than one skater in your family, select the skater you are registering for Learn to Skate, then click on Expand next to Packages Available. Click on Add to Cart next to the Learn to Skate session you're registering for (Snowplow Sam level for 3-4 year olds) – the registration is complete once you click on Cart/Checkout and pay for your purchase via credit or debit card.

Learn to Skate USA is endorsed by U.S. Figure Skating, USA Hockey, and US Speedskating.

Learn to Skate's Mission Statement: To provide a fun and positive experience that will instill a lifelong love of skating.
